MAY 5 1955

Mr. William McCauley, Director  
Bureau of Employees' Compensation  
Washington 25, D. C.

Dear Mr. McCauley:

The procedure which you outlined in your letter of April 18, 1955 regarding hospitalization of this Agency's employees entitled to Federal Compensation Act benefits will serve to satisfy the current needs of our program. As you pointed out, a portion of this method has been established previously and our experience with it has been decidedly satisfactory.

Your recognition of our problem in providing medical care in other areas is a more recent development, and your reference will serve to authorize and simplify our medical services in these somewhat unusual circumstances.

I would like to extend my personal thanks to you and your Staff, and in particular to Dr. Ralph B. Snavely, for the kind courtesies and helpful assistance you have always furnished in our behalf.

Sincerely,

15/  
L. K. WHITE  
Deputy Director
